## **GET THE LOW DOWN ON THE LOW RESIDENTIAL STUDY**

Despite Arlington's existing lot coverage and stormwater management regulations, impervious area is increasing countywide, especially in residential areas. Impervious area increases the risk of flooding and extreme heat, which are the two most dangerous weather threats facing Arlington today.

To help mitigate these risks and improve climate resilience, Arlington's County Board is considering the adoption of a maximum impervious area requirement in lower density, residentially zoned areas. The County Board has directed staff to study potential amendments to the Arlington County Zoning Ordinance (ACZO) to support Arlington's goals to improve the stormwater system and expand the tree canopy. Learn more at [arlingtonva.us/lowresidentialstudy](https://arlingtonva.us/lowresidentialstudy) and visit the Study Engagement webpage to be the first to know when Phase Two engagement events are posted for spring 2026. ## **JOIN ECOACTION ARLINGTON FOR LUNCH ON FEB 12 - ROOTED IN OUR COMMUNITY**

**Thursday, February 12, 2026**

**11:30AM-1:30PM**

**Busboys & Poets Shirlington, 4251 Campbell Ave**

You are cordially invited to the inaugural Rooted In Our Community Luncheon on Thursday, February 12. At this luncheon, we will celebrate the first three years of our efforts to increase the tree canopy in Arlington and make green spaces accessible to every community member, regardless of where they live. EcoAction Arlington will highlight the work of our Tree Canopy Equity Program team as they increase community engagement and bring together partners, supporters, and community leaders to champion tree planting in every zip code in Arlington. Our goal is 40% tree canopy coverage throughout Arlington, and together, we will raise awareness and funding to support the critical work ahead.

This event kicks off a campaign to raise \$25,000 to support the work of our tree team this year. As part of the luncheon, we are pleased to share a challenge match for donations and sponsorships. The first \$1,000 in donations and/or sponsorships received will be matched 1:1.

Tickets are \$50 (\$40 early bird price if purchased by 1/27).

The deadline for ticket purchases is Tuesday, February 10. You can buy a ticket, make a donation, and become a sponsor on our online portal.
